2025 Peppertree Common Area Parking Permit Application

Archon Protection permits will be issued only to Peppertree residents under the following circumstances*:

1. Only **one** annual common area parking permits per condominium unit is allowed.
2. There are a minimum of 2 (two) registered vehicles to the applicant's Peppertree address.
3. **You must submit a copy of each vehicle's registrations that are listed below.**
4. The vehicle must currently be registered with the CA DMV to the applicant's Peppertree address.
5. The below application is filled out accurately in its entirety.
6. The resident pays a \$40 annual fee to Archon Protection per vehicle requesting a parking permit.
7. Obtaining a parking permit does not guarantee the availability of a Common Area parking space.
8. Parking Permits expire on December 31st of the year they are issued.
9. Parking Permits may not be transferred to any other vehicles than the one they are issued to.
10. Parking Permits will only be placed by an Archon Protection representative.
