2025-2027 Parkside Common Area Parking Permit Application

Archon Protection permits will be issued only to Parkside residents under the following circumstances*:

1. Up to **two** annual common area parking permits per household are allowed.
2. **You must submit a copy of each vehicle's registrations that are listed below.**
3. The vehicle(s) must currently be registered with the CA DMV to the applicant's Parkside address. The exception to this would be for commercial vehicles with proof of employment provided from the company (i.e. employer letter).
4. The below application is filled out accurately in its entirety.
5. Obtaining a parking permit does not guarantee the availability of a Common Area parking space.
6. Parking Permits expire on December 31st, 2027.
7. Parking Permits may not be transferred to any other vehicles than the one they are issued to.
8. Parking Permits will only be placed by an Archon Protection representative.
